

Coding Blocks

Arrange the blocks after you write a code to help red riding hood reach her grandma's house safely.

A collection of coding blocks for a programming exercise. The blocks include:

- A yellow block with a notch on the top edge.
- A blue block with a notch on the top edge.
- An 'If Then' block (yellow).
- A 'Change' block (purple).
- A green block with a notch on the top edge.
- A 'When' block (brown).
- A yellow block with a notch on the top edge.
- A 'Go to' block (blue).
- A 'Set' block (purple).
- A purple block with a notch on the top edge.
- A 'Repeat' block (yellow).
- A 'Turn' block (blue).
- A 'Stop' block (yellow).
- A 'Change' block (blue).
- A green block with a notch on the top edge.
- A 'Forever' block (yellow).
- A green block with a notch on the top edge.
