

# Clothespin Giraffe

1. Cut everything out, then colour them.
2. Draw the pattern of the giraffe on the oval.
3. Glue the ears and the horns to the head.
4. Glue the head on top of a clothespin to make the neck.
5. Clip the neck to the oval (the body), then clip the other clothespins to the body from the bottom to make the legs.
6. Place the giraffe on a flat surface.
