

# RECYCLING DATA

Learning Mole Primary and Bryson Primary collect plastic bottles every year for the recycling plant. The data below shows the number of bottles collected by each school (rounded up to the nearest 50) from 2010 to 2018. Read the data carefully and plot it. Make an appropriate scale and draw the lines for each school.

YEAR	LEARNING MOLE PRIMARY	BRYSON PRIMARY
2010	450	300
2011	500	350
2012	550	400
