

Ancient Greek Torch

You'll need:

Yellow, orange and red tissue paper, scissors, coloured pencils, glue.

Instructions:

- 1. Cut out the items and colour.**
- 2. Glue the tabs on shape 1 as instructed to make a cylinder.**
- 3. Glue the tabs on shape 2 to create a cuboid shape, then glue this cuboid on top of the cylinder.**
- 4. To make the flames, cut out ripped up strips from tissue paper.**
- 5. Glue the flames to the cuboid so they flow out to make the torch.**
