

Paper Money Bank

Instructions

1. Glue the paper on construction paper
2. Cut along the dotted lines then fold along along all the horizontal lines
3. Use the tab to glue the box together then glue the bottom squares on top of each other.
4. Now hold the box from the triangle sides and fold it inwards until you get a milk caton shape then glue the top together.
5. Choose your favourite animal and glue it on your money bank.
