

Create Your Own Galaxy

Earth

Mercury

Venus

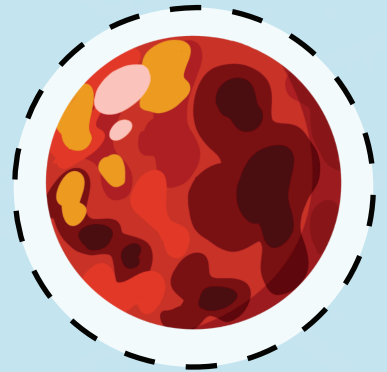

Neptune

Uranus

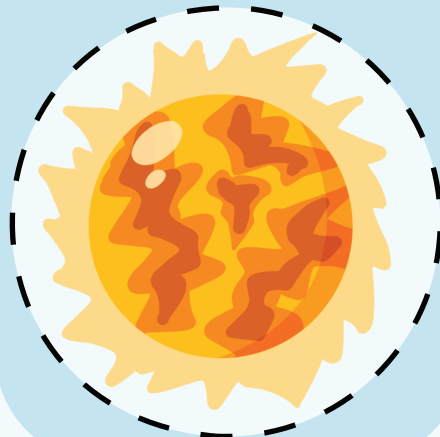

Mars

Jupiter

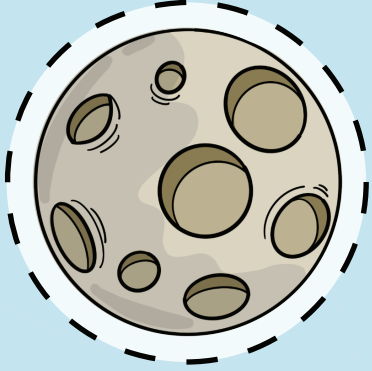

Sun

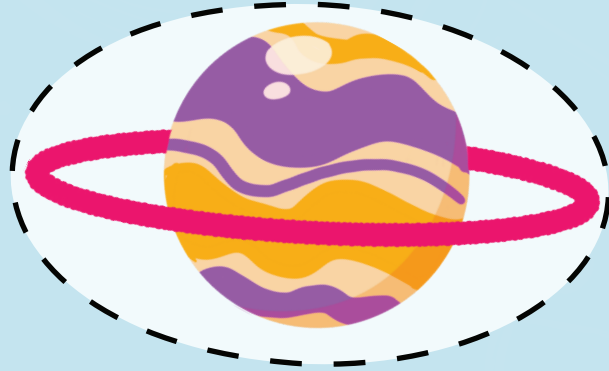

Pluto

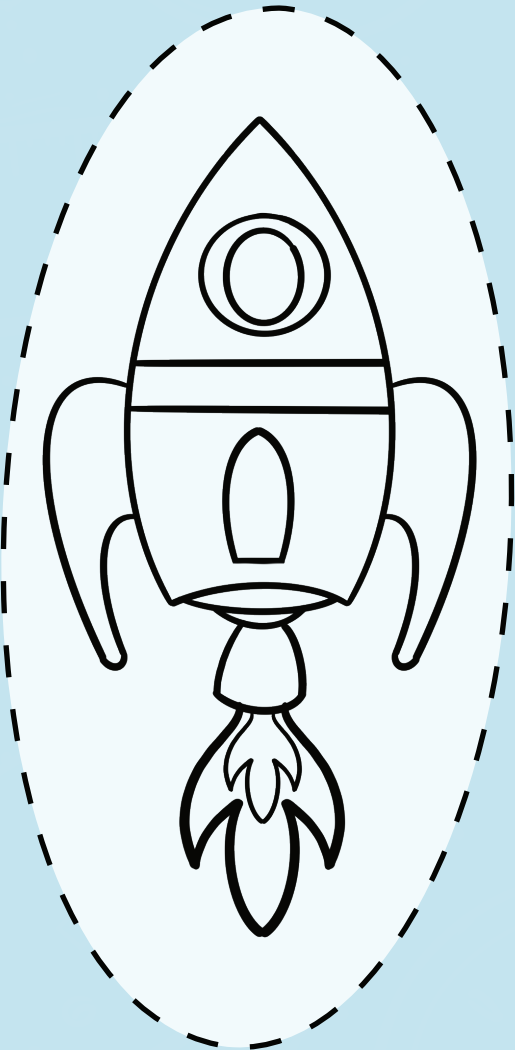

Moon

Saturn

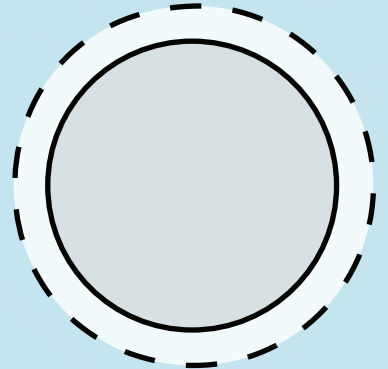

Colour your rocket

Comet

Make your planet

Asteroid

Stars

Instructions

1- Cut each planet, asteroid, and comet you want to include in your galaxy.

2- Colour your spaceship, and create a new planet if you want.

3- Arrange the planets as you wish.
They don't have to be in the correct order from the sun.

4- Glue them to the first sheet.
And now you have created your own galaxy!
