

My Space Station

Shape 1

Materials needed:

Colours

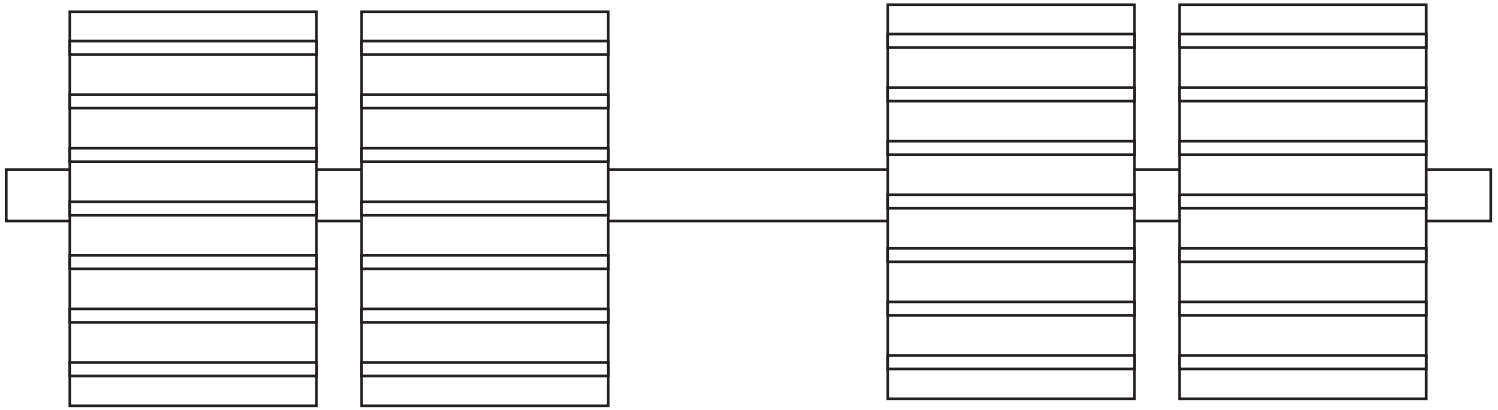

Scissors

Glue

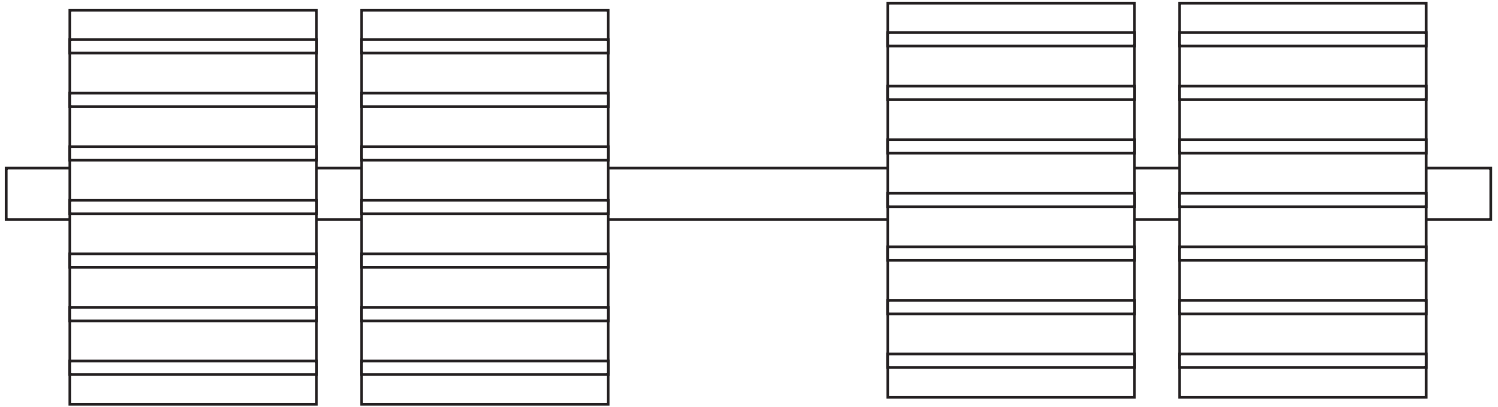

Empty toilet paper roll

Sticks

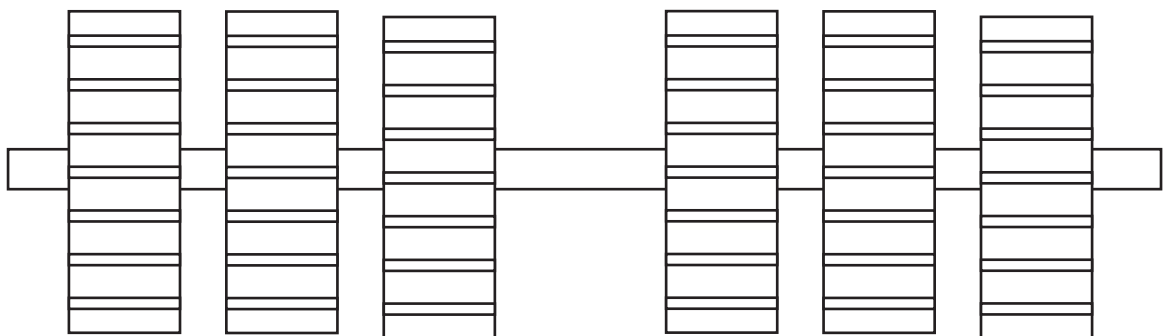

Shape 2

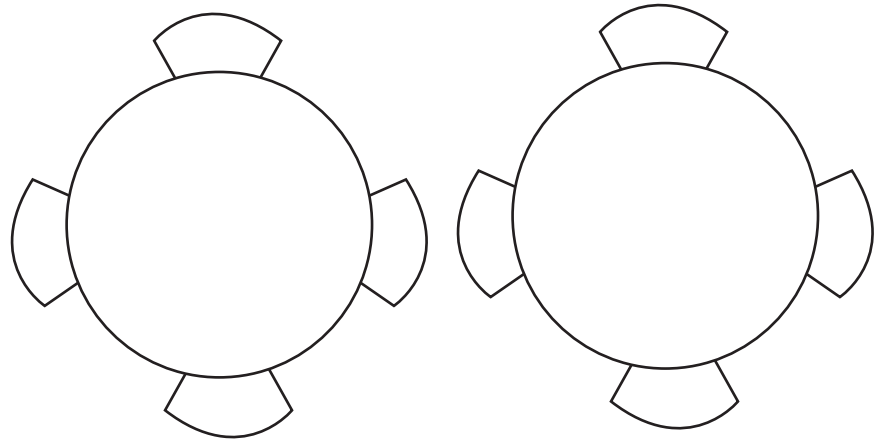

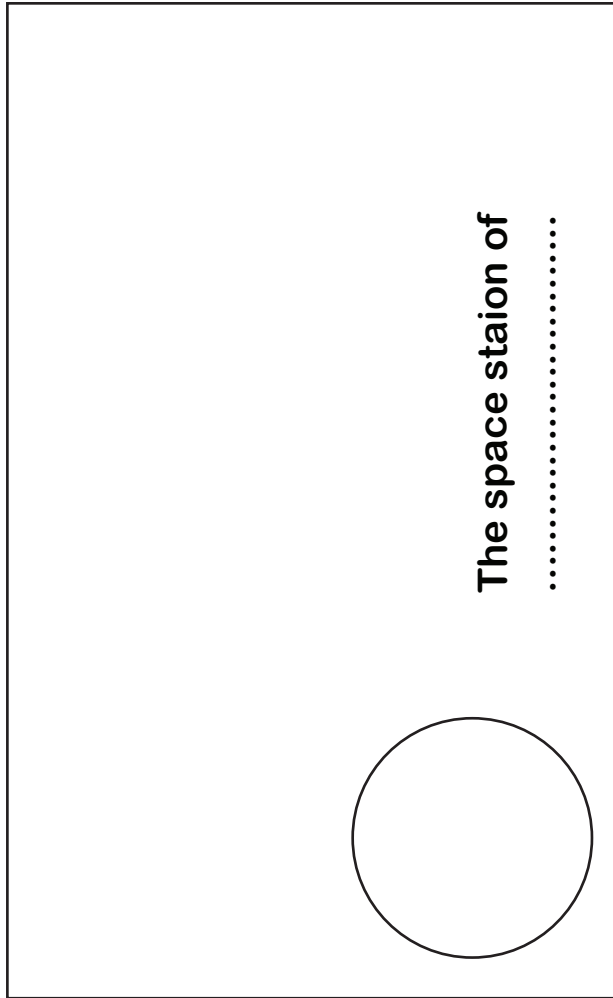

Shape 3

Shape 4

Shape 5

Instructions

1. Choose your favourite colours and colour everything, then write your name on shape 5. and draw yourself inside the circle.
2. Cut out everything, then turn shape 1 into a cuboid using the tabs.
3. Turn shape 5 into a cylinder using the circles. (You can also glue the cylinder on the empty toilet paper roll)

Glue shape 2 & 3 across from each other on a stick, then glue this stick under the cuboid.

4. Use another stick and glue shape 4 on its left and shape 5 on its right.
5. Now glue this stick under the cuboid from the middle.

Good job, now you have your very own space station!
