

The Sphinx Maze

Answer the question for each number on the following page as you walk your way out of the maze. How many did you get?

Finish

Start

1

2

3

4

5

6

The maze is a large, orange-colored structure with a complex internal path. The path starts at the bottom left, labeled 'Start', and winds through various corridors and dead ends. Six numbers are placed at specific points along the path: 1 is at the first junction, 2 is at a T-junction, 3 is at a T-junction, 4 is at a T-junction, 5 is at a T-junction, and 6 is at a T-junction. The path ends at the top right, labeled 'Finish'.

1. What is a Sphinx?

2. How big is it?

3. What is it made of?

4. Which Pharaoh is the Sphinx believed to be a representation of?

5. Why was the Sphinx built?

6. What happened to its nose?
