

# Longest Rivers Riddle

Can you figure out each one of those longest rivers?

I'm the deepest river,  
and I flow through the  
Congo rainforest.  
Who am I?

I begin in Mongolia and  
head east through  
China and Russia.  
Who am I?

I have some of the most  
fascinating creatures such  
as electric eels, freshwater  
stingrays and freshwater  
turtles. Who am I?

I'm the longest river in  
Russia, and I carry tons  
of alluvium into the Kara  
sea every year. Who am I?

I'm where Chinese  
civilization began, and I'm  
the only river where ships  
sail overhead. Who am I?

I'm a great source of  
hydroelectric power.  
And a large part of me  
is covered with Taiga  
flora. Who am I?

I'm the longest river in the  
world. And much of ancient  
Egyptian civilization was  
built along my side.
